Serial No 1

At the Meeting of the Government Girls Schools' Committee held on the 1st inst a new scale of Establishment for the Govt Girls School, Bangalore was carefully considered and unanimously passed, and by desire of the Committee I hereby submit the same for the favourable consideration and early orders of the Highness Government

Extract from the Proceedings of the Committee and a statement showing the present Establishment of the School are appended to this for purposes of reference.

I The main points of difference between the Existing and the proposed scales are as follows

(a) The appointment of two additional Masters.
